Young men in high school, young men in business or professional life, young men who are well on in years, but who like to be smartly dressed, all such men appreciate the importance of clothes; the value from a social or business point of view, of having your clothes fit well, tailored right, correct in style and of real quality of materials.

None of us, men of any age, can really afford to neglect these matters, and it is so easy to be just right about them that nobody ought to be excused for neglecting them when you can come to this store, convenient to get to, with a cordial welcome ready for you, and get into one of our

Suits or Overcoats. There's no excuse for you if you're not as well dressed as any man you ever saw. The clothes are right in every particular. The important thing to you about these clothes is, that you know they're right as well as we do.

Young men especially will like the new Shape-maker Suit, an entirely new idea in clothes-making; the trousers will not slip down even if you wear them without a belt. You'll find this shape-maker a help to the erect, athletic figure, which nearly all men are glad to have.

We want to show you this new unique idea in clothes, an exclusive Hart, Schaffner & Marx creation, and sold only by Hart, Schaffner & Marx dealers. We've got it and you'll want it when you see it.

## Doubts Disappears

No One in Marshall Who Has a Bad Back Can Ignore This Proof.

Does your back ache? Have you suspected your kidneys? Backache is kidney ache. With it comes dizzy spells, Sleepless nights, tired, dull days, Distressing urinary disorders. Cure the kidneys to cure it all. Doan's Kidney Pills bring quick relief. Bring thorough, lasting cures. That's what Marshall men know. Profit then by another's testimony.

Twice-told and well confirmed E. G. Wheeler, Walnut & Parker Sts., Slater, Mo., says: "For nearly twenty years I was troubled by kidney complaint. My back was so lame at times that I could not stoop or straighten, and I was caused annoyance by irregular passages of the kidney secretions. Nothing seemed to help me until at last, I procured a box of Doan's Kidney Pills and began their use. They gave me great relief, soon removing the pain and lameness in my back and restoring my kidneys to a normal condition."

The above statement was given in June, 1906 and was confirmed by Mr. Wheeler on Nov. 19, 1908. He said: "The public statement I gave for Doan's Kidney Pills some time ago was correct. I have had no return attack of kidney trouble." For sale by all dealers. Price 60c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Amos Audsley, of Miami had his fine Percheron draft stallion and two thoroughbred mares here during the fair. They made a fine showing and carried away the blue ribbon in their class.

Rev. J. H. Randall, col. of Malta Bend says he and Revs Long of Marshall, and Connie, of Sweet Springs, will conduct a three day meeting at the Mt. Leonard A. M. E. church, Sept. 22, 23, and 24.

The last of the union services was held at the Methodist church Sunday evening. The program consisted of six short talks by the various pastors on timely subjects. All the talks were fine. The music was in charge of Mrs. O. E. Hawthorne who thoroughly understand the training of singers. The meeting was in the nature of a farewell to Rev. J. E. McDonald, it being his last Sunday here. Mr. and Mrs. McDonald have endeared themselves to the citizens of Marshall as well as their members and there is keen regret over their departure.
